

You are walking at night
and see a monster.

Run away

Go over to it

It sees you running and
starts to chase you.

Run away

It growls at you and gets
ready to attack.

Keep running

Fight back

You run into an
intersection.

Stop running and
try to scare it off

You see a baseball bat
lying on the ground
near you.

Turn left

Keep going straight

Continue fighting

You see a building.

Continue
trying to
outrun the
monster

You get eaten. Go
back to start.

Run and grab it to
fight with

Run over to the
door

Continue trying
to force the door
open

The door is locked.

Run around the
building and hide

Congrats! The
monster ran by and
you escaped.

Congrats! You beat
up the monster
and escape.
